COLORADO RESTAURANT
SUMMER
BINGO

COLORADO
RESTAURANT
ASSOCIATION

HOW TO PLAY

1. Complete the action in a square and mark the square, either digitally or physically.
2. Take a photo.
3. Post your marked board and photo on Instagram (no stories, no private accounts) and mention **@corestaurants**, **#corerestaurantbingo**, and specify the restaurant (mention, location tag, or comment) to be entered in our weekly drawing. One entry per square. Your first post also counts toward the free center square!
4. Complete a bingo (5 squares in a row -- up, down, or diagonal) to qualify for the final drawing. Submit your bingo by posting the marked board and 5 photos that prove corresponding squares, and mention **@corestaurants**, **#corerestaurantbingo**, **#bingo**, and specify the restaurants (tag, location tag, or comment). One entry per row.
5. Blackout gets five additional entries in final drawing (in addition to 12 bingos, for a total of 17 entries). Post blackout board and 9 photos that prove corresponding squares, and tag **@corestaurants**, **#corerestaurantbingo**, **#blackout** and specify the restaurants (tag, location tag, or comment).
6. Each restaurant visit counts toward 1 square -- no doubling up.
7. No duplicate square, row, or board entries.
8. Marked squares and photos must correspond to restaurants located in Colorado. Restaurants outside the state do not count.
9. All entry photos must be owned by the original poster.
